Directions: Every time you complete a Guided Reading lesson, fill in one box with the date, lesson #, and your comprehension score. Your score must be a 70% or higher for that box to count. Use the REREAD button, it will help improve your scores. Your goal is to complete a minimum of 27 lessons. You may make copies of this page as needed. When school starts in August, your teacher will make sure you recorded all the information correctly. Have a fun, safe summer!
