

Dear Parent/Guardian:

We are happy to introduce an on-line reading program, Reading Plus which is offered by the district to help improve reading comprehension. Your child is encouraged to use the program on any internet-connected computer. Students have been using the program in school, and are strongly encouraged to use the program during the summer. You have the benefit of monitoring their progress by clicking on the “My Progress” tab at the top of the screen.

Reading Plus Supports...

For Middle School Students

In the middle school years your child makes the transition from learning to read to reading to learn. It is essential that your child master the foundational reading skills that will allow him or her to become an independent learner and life long reader. After Reading Plus®, your child will:

- Read 50% Faster with Good Comprehension
- Improve Test Scores
- Achieve or Surpass Grade Level Reading
- Enhance Vocabulary
- Build Confidence and Independence
